A Coastal State Of Mind

Where comfort meets elegance

Modern, spacious, coastal-inspired interiors and finishes that invoke a feeling of true serenity and comfort. Kitchens that are both beautiful and functional yet, large enough to entertain friends and family. All homes come complete with a kitchen island, high-end stainless-steel appliances, and quartz countertops. Spa-inspired bathrooms serve as an oasis and a place to relax at the end of an active day. Large outdoor patios allow additional space to entertain and enjoy the magical Gibsons sunsets and the serenity of the Salish Sea. A cozy gas fireplace, hot water on demand, and heated bathroom floors to keep you warm on those chilly days. These are just some of the modern comforts included in each home at The Murray.
